
2ND ANNUAL GMAP REGION 1-SOUTH CANCER HEALTH DISPARITIES SYMPOSIUM

REGISTER NOW! *MARCH 9, 2018, CHAPEL HILL, NC*

© The University of North Carolina at Chapel Hill, 2015

The NCI funded Geographical Management of Cancer Health Disparities Program (GMAP) in Region 1-South (NC, SC, and TN), will host a 1-day symposium for researchers at any stage of training.

The goal of the symposium is to exchange cancer health disparities research findings, network with other scholars, promote research collaborations, and learn about NCI CURE funding.

To attend the event, **register online** at <http://tinyurl.com/y75hffwc>. Travel Award applications and Abstract submissions are due January 10th, 2018.
